Day of Caring Volunteers Make a BIG Difference

Paint brushes, hedge clippers, a little elbow grease and a heaping help of community-wide care, made this year's Day of Caring a resounding success. Thanks to the hundreds of helping hands from this great region that gave more than 50 local non-profits the man-power they so desperately needed. Many thanks to our sponsors who make this day possible each year: BB&T, Sodexo, Pepsi, Frito Lay, Lynchburg Hillcats, City of Lynchburg and Southern Air.

Emergency Food & Shelter Program

Did you know that United Way of Central Virginia is the local administrator for the Emergency Food and Shelter National Board Program? Directed by the US Department of Homeland Security's Federal Emergency Management Agency (FEMA), the Emergency Food and Shelter Program supplements existing local programs that provide shelter, food and supporting services to people who are hungry, homeless or in economic crisis. Special emphasis is placed on providing assistance to the elderly, families with children, Native Americans, veterans, and the mentally and physically disabled.

Last year in Central Virginia, 970 individuals were provided *$45,639* in assistance through programs housed at the American Red Cross, Interfaith Outreach, Lyn-CAG, YWCA, Bedford County DSS, Campbell County DSS, Lynchburg Daily Bread, Meals on Wheels, Miriam's House, Salvation Army, The Gateway House, and United Way of Central Virginia's 2-1-1 program. Communities served included the cities of Bedford and Lynchburg and the counties of Amherst, Appomattox, Bedford, and Campbell. The Emergency Food and Shelter Program is an example of United Way of Central Virginia's Community Impact focus, which seeks to maximize outcomes by addressing critical needs in the most efficient manner-often by pooling the resources of many organizations. "These funds are critical in supplementing and expanding the ongoing services of the recipient agencies that provide emergency food and shelter in our region. The agencies work well together to ensure there is no duplication of services," says United Way of Central Virginia's Vanessa Angus, Board Chair and Program Administrator. The program operates under the stated principles of efficiency, accountability, responsiveness, partnership, and facilitation, and represents a true collaboration of many agencies working together to serve the needs of our community
