

2010 Women's Leadership Council Funding Application

A United Way of Central Virginia Program

The Women's Leadership Council (WLC) Vision: The WLC, a group of local women leaders, promotes philanthropy, community volunteerism and awareness of United Way and other local programs. By leveraging women's skills, relationships and resources, the Council creates positive change in Central Virginia. In 2010, the Council will distribute grants to local programs impacting women children in Central Virginia.

The WLC Mission Statement: To mobilize the caring power of women leaders and philanthropists united by the shared passion of enhancing the quality of life for women and children in their community.

The WLC Six Critical Concerns for Women and Children:

- Reducing Violence Against Women: - Domestic and Date Violence, Child Neglect and Elder Neglect
- Unemployment and Job Skill Training
- Childhood Obesity, Nutrition, and Exercise
- Lowering Truancy and School Drop Out Rates
- School Readiness
- Poverty Issues: Homelessness, Utilities Assistance and Eviction
